Sirs:

**APPELLANTS' SUPPLEMENTAL REPLY BRIEF UNDER 37 C.F.R. §41.41**

In response to the Examiner's Answer electronically delivered February 20, 2009, the Appellants submit this Reply Brief in compliance with 37 C.F.R. §41.41. This reply is being submitted to ensure that the Board of Appeals and Interferences will have the opportunity to review the arguments previously presented in the Reply Brief submitted October 9, 2006.

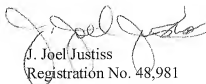

**REMARKS**

In the Examiner's Answer electronically delivered February 20, 2009, the Examiner corrected Section 8 to include a listing of the references relied upon. Since no other changes were made to the original Examiner's Answer mailed August 9, 2006, the Appellants rely on the Reply Brief submitted October 9, 2006.

For a variety of reasons, including but not necessarily limited to those which are identified in the Appellants' prior responses, including those reasons set forth in the Reply Brief of October 6, 2006, the Claims are patentably nonobvious over Kato in view of Kim. Accordingly, the Appellants respectfully request that the Board of Patent Appeals and Interferences reverse the Examiner's Final Rejection of all of the Appellants' pending claims.

Respectfully submitted,

**HITT GAINES, P.C.**
